

RESOLUTION

WHEREAS, FM 1960 West between Mills Road & Interstate 45 is the core commercial area in Northwest Harris County and it strongly impacts the quality of life and the property values for a substantial portion of the adjacent area; and

WHEREAS, this commercial area is slowly but surely deteriorating with age and is becoming less and less desirable as a commercial area which impacts not only its commercial property values but also the residential properties in adjacent areas; and

WHEREAS, certain other areas in Harris County have established management districts in the past which have successfully impacted their core commercial areas that were deteriorating with age while major commercial areas without management districts have tended to substantially deteriorate; and

WHEREAS, the quality of life and maintenance and improvement of property values in our service area is a prime consideration of this organization; and

WHEREAS, there is now substantial community support for the creation of a management district by the Legislature of the State of Texas, covering all or a portion of this core commercial area for approval in the 2009 session.

NOW, THEREFORE, believing that the creation of such a management district is also in the best interest of our service area, WE, THE BOARD OF DIRECTORS OF

do hereby express our solid support for the creation of this management district and strongly urge our Legislators in the Legislature of the State of Texas to create this management district.

SIGNED this ___ day of _____, 2008, on behalf of the Board of Directors of
